

# Femi-Care Surgery Center, LLC

66 Painters Mills Road, Suite 106 • Owings Mills, MD 21117 • Ph: 443 394.0523 F: 443 394.0524

We understand abortion is a very difficult decision and want you to know you may change your mind at any time up to the point which the actual procedure is being performed. However, certain charges will apply for those services which have already been provided. These charges are at a cash discounted price and do not reflect the actual cost.

|                           | <u>First Trimester</u> | <u>Second Trimester</u> |
|---------------------------|------------------------|-------------------------|
| Consult and Exam          | \$65.00                | \$65.00                 |
| Sonogram (up to 12 weeks) | \$70.00                | \$95.00                 |
| RH typing (Lab)           | \$20.00                | \$20.00                 |
|                           | +                      | +                       |
| Total:                    | \$155.00               | \$180.00                |

I have read and understand the above statements.
